## The Always-On iBook Case

Specifically designed for Apple's new iBook computer. It's always on design protects the computer 24/7 and also gives the iBook a handle and storage pocket. Reduce your computer insurance cost from Safeware by up to 20% when using this protective case.

Call or write for more details.

## Always-On Mobile Cart Solution 8

Getting technology to the classroom has never been easier or safer. This new lightweight, wheeled Always On Mobile Cart Solution 8 is a great way to utilize mobile technology across your district. This unique system includes our iBook Always-On Cases that protect the "naked" laptop from costly accidental damage when students or teachers bring the laptops to their desks.

There is also a handle for safer carrying. This all adds up to maximum mobility plus substantial protection from those inevitable accidents when outside the cart. The Always On Cart Solution 8 is great for professional development training or student usage.

- High Value Mobile Cart Protects Up To 8 iBook Laptops
- Includes 8 iBook Always-On Cases
- Additional Slots For Wireless Access Point And AC Adapters
- Four Large Exterior Pockets For Additional Items
- Moves Easily Around Campus/Schools
- Rugged Handle And Wheels
- Size Is Only 36x16x15
- Easy Laptop Charging Inside The Cart
- Fast, Easy And Safe Access
- Maximum Laptop Protection
